R-2 Zoning Classification

The zoning maps were reviewed to determine if Ted Veliquette's proposed rezoning request from R-2 to Commercial would be appropriate for that zone. It was determined the a rezoning from R-2 to Commercial on such a small portion of property in the center of this zone could be spot zoning. Ken Smith will contact Ted Veliquette to inform him of the feelings of the planning commission and to see if he might wish to proceed with the rezoning request.

As there was no further business, meeting was adjourned at 9:00 P.M.

Respectfully submitted,
