

Elk Rapids Township
Special Meeting Minutes, May 26, 2016

The special meeting of the Elk Rapids Township Board was held at the Elk Rapids Government Center located at 315 Bridge St. Elk Rapids. The meeting was called to order by Supervisor White at 3:00 pm.

This was an informational meeting for the residents in the Maple Grove area in Kewadin to gauge any interest there may be in extending sewer down to their homes.

Present: Supervisor: Bill White, Clerk: Shelley Boisvert, Treasurer: Mike Szymanski, Trustees: Dorance Amos and Aaron Isenhart.

Also Present: B. Derman, D. Coates – Gosling Czubak

Doug Coates from Gosling Czubak had a hand-out that explained the reason for the meeting along with the history of previous attempts and costs to bring sewer from the Birch Lake system down to service the Maple Grove area.

The last construction cost estimates were done in 2009 and at that time they projected 38 properties may be connected so the cost broke down to approximately \$11,000 per connection.

Doug stated that those were estimated costs at that time and that new construction costs would most probably be more.

A small committee was formed to follow up from here. A new “Fact Sheet” will go out to property owners in the area.
